

## YA Practical Course Calendar for 2010

Pacific Sailing School offers a range of internationally recognized courses which include Yachting Australia YA courses and the RYA YA courses. Please email, call us or just drop in to our office and discuss with our sailing advisors the best program for you.

YA Practical Courses	Duration	Go to Page
Index		1
Try Sailing Lesson	3 hours	2
Keelboat Set Sail Course	15 hours*	3
Keelboat Skipper Course	15 hours*	4
Keelboat Spinnaker Course	15 hours*	5
Keelboat Racing Course	16 Hours	6
NSW MA Power Boat Drivers Course	6 hours	7
Bareboat Skipper Course	2 days	8
Offshore Crew Course	3 days	9

\* including unlimited practice sessions for 6 months booked on a standby basis

If you have never sailed before, the ideal introduction is our **Keelboat Set Sail** and **Keelboat Skipper** courses on our International J24 yachts. You will get a better feel of sailing and you will learn to sail much faster than starting on our bigger yachts. Alternatively if your heart is set on starting on our beautiful bigger yachts the choice is yours and we then suggest the 2 day overnight RYA YA **Start Yachting** course.

Following learning to sail on our International J24 yachts we then suggest that, our bigger yachts are the best next step to learn about Pilotage and Navigation. Our courses generally take place over five days or over a series of weekends. Our practical courses, complemented by our navigation and other specialist short courses can be simply to increase your knowledge and confidence, or as a progression to gaining International qualifications recognised by maritime authorities worldwide.

We are located in the Cruising Yacht Club of Australia, Rushcutters Bay, Sydney (home of the famous Rolex Sydney to Hobart Yacht Race). The CYCA is the perfect place to continue your sailing with over 400 yachts, and has been our base for over 30 years on beautiful Sydney Harbour. You can enter our program at any level, provided that you have an adequate level of experience beforehand. It is important to be realistic when assessing your current experience and abilities. If in doubt, discuss your requirements with our training centre before booking your course.
