### The first Keelboat School in Australia

If you have never sailed before, the ideal introduction is our **Keelboat Crew** and the **Keelboat Helm** courses on our International J24 yachts. You will get a better feel of sailing and you will learn to sail much faster than starting on our bigger yachts.

Alternatively if your heart is set on starting on our beautiful bigger yachts the choice is yours and we then suggest the 2 day overnight RYA YA **Start Yachting** course. Following learning to sail on our International J24 yachts we then suggest that, our bigger yachts are the best next step to learn about Pilotage and Navigation. Our courses generally take place over five days or over a series of weekends. Our practical courses, complemented by our navigation and other specialist short courses can be simply to increase your knowledge and confidence, or as a progression to gaining International qualifications which are recognised by maritime authorities worldwide.
