

## YA Offshore Racing Crew Course

### Three day practical

This course will prepare you to crew on offshore racing yachts. We will sail up the coast to Pittwater where you will carry out night watch keeping duties under racing conditions, rotating the crew in at least four positions including foredeck, mast, trimming spinnaker, jib and mainsail and correct winching on board. Other nights we will anchor in beautiful bays.

Our 50' Offshore Yacht with two Instructors. These are usually our senior YA Yacht master Instructor Gunnar Tuisk, who runs the course, as well as Principal Terry Wise, who is both Sailing Master and on board Chef.

This course will allow you to gain great knowledge and leapfrog you to good racing positions on offshore yachts and enable you to be upgraded on our Crew website.

#### Practical Course Content:

- ✓ Safety equipment and rigging the yacht
- ✓ Asymmetrical Spinnakers & Gybeing
- ✓ Trimming sail changing
- ✓ Watch keeping & helming

#### On Board

- ✓ 9.30 am on Saturday morning and return Monday at 4pm.
