

## RYA YA Practical Course Calendar for 2012

Pacific Sailing School offers a range of internationally recognized courses, which include Yachting Australia YA Keelboat Scheme courses and the Yachting Australia RYA Yacht Training Scheme courses. Please call our office and discuss with our sailing advisors the best program for you.

RYA YA Practical Courses	Duration	Go to Page
Index		1
RYA YA *Start Yachting Practical	2 days	2
RYA YA Competent Crew	*3 x 2 days or 5 days	3
RYA YA Day Skipper Practical	3 x 2 days or 5 days	4
RYA YA Coastal Skipper Practical	5 days	5
RYA YA Combined Yachtmaster Coastal/ Yachtmaster Theory & Practical	10 days	6

Holders of a Start Yachting Certificate can complete a further two weekends for the Competent Course. \*

If you have never sailed before, the ideal introduction is our **YA Keelboat Crew** and **YA Keelboat Helm courses** on our International J24 yachts. You will get a better feel for sailing and you will learn to sail much faster than starting on our bigger yachts. Alternatively, if your heart is set on starting on one of our beautiful bigger yachts the choice is yours and we then suggest the 2 day overnight **RYA YA Start Yachting course**.

After learning to sail on our International J24 yachts we then suggest that our bigger yachts are the best next step to learn about Pilotage and Navigation. Our courses generally take place over five days or over a series of weekends. Our practical courses, complemented by our navigation and other specialist short courses can be simply to increase your knowledge and confidence, or as a progression to gaining International qualifications recognised by maritime authorities worldwide.

We are located in the Cruising Yacht Club of Australia, Rushcutters Bay, Sydney (home of the famous Rolex Sydney to Hobart Yacht Race). The CYCA is a beautiful Club and the perfect place to continue your sailing with over 400 yachts. It has been our base for over 30 years on beautiful Sydney Harbour. You can enter our program at any level, provided that you have the correct level of experience beforehand. It is important to be realistic when assessing your current experience and abilities and, if in doubt, to discuss your requirements with our training centre before booking your course.
